### DISCLOSURE STATEMENT

Thank you for choosing Counseling West Seattle for services. The following information is for AnnaMaria Austin and is provided to help you determine if her services as a therapist match your needs as a client. It contains information about her therapeutic philosophy, education, and fees, as well as your rights as a client. Please read the following and ask any questions that would help you determine whether working with her at Counseling West Seattle would be a good choice for you.

### INTRODUCTION

My name is AnnaMaria Austin and I am a Mental Health Counselor licensed by the State of Washington (LH61332976) under the supervision of Toni Napoli. I received my Bachelor of Science in Biochemistry from Cal Poly San Luis Obispo and my Master of Arts in Educational Psychology from the University of Washington. I am certified as a Trauma Informed Yoga Instructor and a Positive Behavior Intervention Specialist. I have worked as a school counselor for twenty years and began my journey to become a mental health counselor in 2014.

### TREATMENT PHILOSOPHY

I strive to create a non-judgmental and safe space for all clients. I believe therapy is most effective when approached as a collaborative and relational process with the client as the expert of their own life. Using a blend of psychotherapy, psychoeducation and neuroscience understanding I draw on different theories and treatments depending on your personal counseling goals and your stage of life: Cognitive Behavior Therapy (CBT), Motivational Interviewing, Positive Psychology, Play Therapy, Solution Focused Brief (SFBT), Breathwork, Mindfulness and Meditation are some examples. As a dedicated counselor, I will work with you to gently challenge any thoughts and behaviors that do not serve you and together we will build on the strengths of your unique individuality.

### APPOINTMENTS AND FEES

Therapy sessions are scheduled as follows: Intakes of 60-75 minutes at \$200.00 and ongoing Regular Sessions of 50-60 minutes at \$175.00. Services provided involving legal circumstances or in accordance with court orders are charged at \$200 per hour. I will notify you if I have to cancel or change appointments with 24 hours' notice unless in the case of an emergency. If you are unable to keep your appointment for any reason, please contact **AnnaMaria Austin at 206-786-8774**. You must give at least 24 hours' advance notice, or you will be charged the full amount. Please be aware that insurance companies do not reimburse for missed sessions. Payment is due at the time of service.

Occasionally I find it necessary to increase my fee. If this occurs during your treatment, you will be given one month's notice prior to the increase. If you have any question regarding payments, I encourage you to ask.

## **INSURANCE INFO**

It is the member's responsibility to discover benefits prior to services. The contact number and/or website address are on the back side of your insurance card. Every insurance plan is unique, therefore when you contact member services you will want to ask specifically for outpatient mental health benefits, in network and/or out of network, number of visits allowed, annual deductible, and co-payment and/or co-insurance amounts, if applicable. On the second visit, if the client does not have the insurance information, including the co-payment or deductible amount, a retainer fee of \$150 will be collected. This amount will be used for co-payment or deductible or will be refunded to the client.

## **CONFIDENTIALITY**

I treat information exchanged between us as confidential. There are certain circumstances, however, under which information may be released. I may release such information when you provide me with a written RELEASE OF INFORMATION. I may also release information to a health care provider or insurance company who is providing treatment to you if that person needs to know that information. Under law, however, I am also required to release confidential information without your consent in special cases such as: suspected child or elder abuse; potential suicidal behavior by you; or threats of harm to another person. In addition, in certain select circumstances, my records may be subject to subpoena and I may be required to release information without your consent.

## **CLIENT RECORDS**

I do keep brief, written records of your treatment and the services that I provide to you. Under law, you may ask me to see and copy that record. You may ask me to correct the record, I will not disclose your records to others unless you direct me to do so or unless the law authorizes or compels me to do so. If you request records or written information to be released there will be a fee of \$28.00 for paperwork and time spent.

## **YOUR LEGAL PROTECTION**

You have the right both to receive appropriate care and treatment, and to refuse any proposed treatment. The State of Washington has asked all therapists to convey the following information to their clients: "Counselors practicing counseling for a fee must be registered or licensed with the department of licensing for the protection of public health and safety. Registration of an individual with the department does not include recognition of any practice standards, nor necessarily implies the effectiveness of any treatment."

## **CRISES**

If you or your child is having a mental health crisis that **DOES NOT REPRESENT A SERIOUS THREAT TO YOU OR YOUR CHILD'S PERSONAL SAFETY OR THE SAFETY OF OTHERS**, leave a message and I'll call back as soon as possible. I check my voice mail frequently. If unable to reach me in person during a crisis, a call may be made to the Crisis Clinic's 24-hour hot line at 206-461-3222 or you may choose to go to the emergency room of a local hospital if appropriate.
