### **DISCLOSURE STATEMENT**

Thank you for choosing Counseling West Seattle for services. The following information is for Alexa Harmon and is provided to help you determine if her services as a therapist match your needs as a client. It contains information about her therapeutic philosophy, education, and fees, as well as your rights as a client. Please read the following and ask any questions that would help you determine whether working with her at Counseling West Seattle would be a good choice for you.

### **INTRODUCTION**

My name is Alexa Harmon and I have been a Mental Health Counselor licensed by the State of Washington (LH 60031952) since 2008, and I have a certification in Case Management (4216474) that started in 2015. I received my BA in Psychology with a Minor in Criminology from the University of New Mexico and my Master of Counseling degree from the University of North Texas.

### **TREATMENT PHILOSOPHY**

My approach is as an Integrative Therapist. This means that my background is client-centered with training and extensive experience in CBT, Mindfulness, Motivational Interviewing, and Behavioral Therapy. When working through issues, I believe it is important to understand and gain deeper awareness of the mental, physical, and spiritual factors that shape each person's life and how that plays a role in their experiences. The type of approach is determined by you, the client, by using the best modality for what you are experiencing. I recognize that not every approach is a perfect fit, thus I am flexible to work with you as a guide, with experience and tools, to address your unique and personal needs. Our sessions are in a judgement free zone with empathy, unconditional positive regard, and authenticity.

### **APPOINTMENTS AND FEES**

Therapy sessions are scheduled as follows: Intakes of 60-75 minutes at \$200.00 and ongoing Regular Sessions of 50-60 minutes at \$175.00. Services provided involving legal circumstances or in accordance with court orders are charged at \$200 per hour. I will notify you if I have to cancel or change appointments with 24 hours' notice unless in the case of an emergency. If you are unable to keep your appointment for any reason, please contact Alexa Harmon at (253) 426-3780. You must give at least 24 hours' advance notice, or you will be charged the full amount. Please be aware that insurance companies do not reimburse for missed sessions. Payment is due at the time of service.

Occasionally I find it necessary to increase my fee. If this occurs during your treatment, you will be given one month's notice prior to the increase. If you have any question regarding payments, I encourage you to ask.

### **INSURANCE INFO**

It is the member's responsibility to discover benefits prior to services. The contact number and/or website address are on the back side of your insurance card. Every insurance plan is unique, therefore when you contact member services you will want to ask specifically for outpatient mental health benefits, in network and/or out of network, number of visits allowed, annual deductible, and co-payment and/or co-insurance amounts, if applicable. On the second visit, if the client does not have the insurance information, including the co-payment or deductible amount, a retainer fee of \$150 will be collected. This amount will be used for co-payment or deductible or will be refunded to the client.
