INTRODUCTION

My name is **Brittiony Borges**, and I am an Independent **LMHCA** licensed by the State of Washington (MC61446369). I received my BA from the University of the Pacific in 1998, and my MA in Existential Phenomenological Psychology from Seattle University in 2023.

TREATMENT PHILOSOPHY

My background in humanistic, existential phenomenology therapy engages with the exploration and focus of how a person (you) engages with the world. Together we can work to understand your experiences, strengths, challenges, and coping skills that have created who you are: a unique being unlike anyone else. Understanding the demands of the busy world we live in, and the complexities of the relationships encountered, allows us to explore the meaning of relationships, desires, and the beauty and challenges experienced in your life.

My training and philosophical background is centered around you, who you are, your habits, questions, and the experiences and perceptions that make you unique. My goal is to provide a safe, empathetic, non-judgmental environment where together, we can build trust, respect, and compassion to explore how you interact and conceal yourself from the world. I am committed to working alongside you as you gain freedom from anxiety, unhelpful coping skills, or other areas you believe may be holding you back. I'm grateful for the opportunity to sit with you and identify the coping strategies used to help get you to this place. We can then find new ways to support your current needs and work toward uncovering more meaningful experiences and relationships. Your strength is evident, and I would be honored to walk beside you through this transforming journey.

APPOINTMENTS AND FEES

Therapy sessions are scheduled as follows: Intakes of 60-75 minutes at \$200.00 and ongoing Regular Sessions of 50-60 minutes at \$175.00. Services provided involving legal circumstances or in accordance with court orders are charged at \$200 per hour. I will notify you if I have to cancel or change appointments with 24 hours' notice unless in the case of an emergency. If you are unable to keep your appointment for any reason, please contact Brittiony Borges **via email at brittionyb@counselingwestseattle.com**. You must give at least 24 hours advance notice, or you will be charged the full amount. Please be aware that insurance companies do not reimburse for missed sessions. Payment is due at the time of service.

Occasionally I find it necessary to increase my fee. If this occurs during your treatment, you will be given one month's notice before the increase. If you have any questions regarding payments, I encourage you to ask.

INSURANCE INFO

It is the member's responsibility to discover benefits prior to services. The contact number and/or website address are on the back side of your insurance card. Every insurance plan is unique, therefore when you contact member services you will want to ask specifically for outpatient mental health benefits, in network and/or out of network, number of visits allowed, annual deductible, and co-payment and/or co-insurance amounts, if applicable. On the second visit, if the client does not have the insurance information, including the co-payment or deductible amount, a retainer fee of \$150 will be collected. This amount will be used for co-payment or deductible or will be refunded to the client.

CONFIDENTIALITY

I treat information exchanged between us as confidential. There are certain circumstances, however, under which information may be released. I may release such information when you provide me with a written RELEASE OF INFORMATION. I may also release information to a health care provider or insurance company who is providing treatment to you if that person needs to know that information. Under law, however, I am also required to release confidential information without your consent in special cases such as: suspected child or elder abuse; potential suicidal behavior by you; or threats of harm to another person. In addition, in certain select circumstances, my records may be subject to subpoena and I may be required to release information without your consent.

CLIENT RECORDS

I do keep brief, written records of your treatment and the services that I provide to you. Under law, you may ask me to see and copy that record. You may ask me to correct the record, I will not disclose your records to others unless you direct me to do so or unless the law authorizes or compels me to do so. If you request records or written information to be released there will be a fee of \$28.00 for paperwork and time spent.

YOUR LEGAL PROTECTION

You have the right both to receive appropriate care and treatment, and to refuse any proposed treatment. The State of Washington has asked all therapists to convey the following information to their clients: "Counselors practicing counseling for a fee must be registered or licensed with the department of licensing for the protection of public health and safety. Registration of an individual with the department does not include recognition of any practice standards, nor necessarily implies the effectiveness of any treatment."

CRISES

If you or your child is having a mental health crisis that **DOES NOT REPRESENT A SERIOUS THREAT TO YOU OR YOUR CHILD'S PERSONAL SAFETY OR THE SAFETY OF OTHERS**, leave a message and I'll call back as soon as possible. I check my voice mail frequently. If unable to reach me in person during a crisis, a call may be made to the Crisis Clinic's 24-hour hot line at 206-461-3222 or you may choose to go to the emergency room of a local hospital if appropriate.
